

# INTERGROUP

Candidate MEPs are encouraged to complete the pledge for a Volunteering Intergroup.

✓ The creation of a European Parliament Intergroup on Volunteering is necessary to ensure an on-going commitment of the European Parliament towards the further development of a comprehensive EU agenda on volunteering.

✓ A cross-cutting issue as volunteering, needs an official and structured intergroup, in order to have the financial resources to facilitate the activities.

✓ The intergroup will be a crucial cross-party and cross-Committee framework for ensuring the good implementation of the European Solidarity & Voluntary Service (European Solidarity Corps).
