

## ***INVITATION – January 21- 22 2018***

***Join us in Aarhus – when we explore and celebrate volunteering!  
(In the framework of European Capital of Culture 2017 and European Volunteering Capital 2018)***

Dear European volunteer stakeholders,

From January 21 – 22 we explore and celebrate volunteering in the city of Aarhus and we are delighted to invite you to take part in the European Volunteering Capital 2018 opening celebrations on January 21st (no charge) and a Conference to consider volunteer impact on January 22nd (charge details below) .

### **Because you make an extraordinary difference**

Everyday throughout the year, many tasks are solved by enthusiastic and committed volunteers, energetic movers and shakers, or enterprising people - they all want to help with tasks both big and small.

It enriches one's life to give something back to the community, it is valuable to make a difference, and amazing to help create something bigger than oneself. Management and the organization of volunteer tasks is something in which many people involve themselves, and it results a myriad of experiences.

We would like to share our experiences, give inspiration, and hopefully create new networks with you and others at this volunteer conference.

You are first and foremost invited because you are involved with volunteer work. But you are also invited so that you can meet like-minded people. You can meet other that, like you, sometimes find it difficult to create the best possible framework for volunteering.

### **What you should not miss out on**

These days, we will energetically and professionally highlight those mechanisms that can play a part in underpinning a successful volunteer program. We will visit some select places in Aarhus that work with volunteers. Here we hope to give you some insight into their work conditions and contexts, so that you will be better prepared to recruit, keep, and motivate volunteers.

We will commit ourselves to creating days that will assure that you will meet new people who are as passionate about volunteer involvement as you are.

### **Target group for the conference**

National and international volunteer stakeholders including operators, leaders/coordinators of volunteer organizations, institutions and organizations with an interest in engaging volunteers in tasks, as well as municipal employers and employees.

The conference for the international group will be held in English. There will be a keynote speaker which will be translated, and other program features will be in English.

## Good to know

The fee for the conference including breakfast coffee and lunch is 250,00 kr (35 Euro).
