

EYV 2011 Alliance Yearbook – Introduction

The EYV 2011 Alliance Yearbook is a month by month record of EYV 2011 showcasing some examples of the diversity of volunteering in Europe. Since 2007 the EYV 2011 Alliance members have committed to working together on the promotion, lobbying, organisation and implementation of the European Year of Volunteering 2011. The EYV 2011 Alliance is an informal group of European networks active in volunteering and currently involves 39 European networks. For more information about the EYV 2011 Alliance, please check www.eyv2011.eu.

The 39 European networks of the [EYV 2011 Alliance](http://www.eyv2011.eu) gather around 2000 direct member and partner organisations all over Europe and beyond, reaching out to hundreds of thousands of volunteers. The EYV 2011 Alliance Members generated and collected materials for the Yearbook throughout EYV 2011. It means that links to photos, videos and text based materials were submitted by people from all over Europe showcasing the main events and activities of the Year. The editing of submitted material valued and respected the original spirit of the items.

The EYV Alliance Yearbook includes over 100 entries spread from the month of December 2010 until the month of December 2011 (see table of contents below). This version of the EYV 2011 Alliance Yearbook is distributed on commemorative pen drives. For each month you will find:

- Submitted entries with hyperlinks to relevant documents (pdf)
- Document folder
- EYV 2011 Monthly newsletter (pdf).

The Yearbook is also available online in a web-based format :
