**Brief description of the project and what you did:** CIM Horyzonty's project consists of using non-formal education tools in different spaces (schools, cultural centres) to promote intercultural integration and the development of a diverse local community. My tasks encompassed delivering workshops on interculturality, human rights and democracy as well as supporting the organisation's daily operations.

**Your favourite moment:** The on-arrival training week in Warsaw in February 2026

**Impact in the community:** Creating social bonds, one of my activities was to deliver workshops in a juvenile centre and the lawyer responsible for the teenagers there told us that we managed to bond with them.
