MEP Volunteer Job Shadowing MEP Michal Wiezik

Throughout the year VERA activities are supported by an increasing collaboration with the European Parliament. Meetings of the **European Parliament Volunteering Interest Group** are planned throughout 2023. MEPs get closer to the volunteering field by job shadowing a volunteer during a normal day of activities. By wearing the shoes of volunteers, MEPs involved will be better suited to support, advocate and value volunteering in their daily work at the European Parliament.

On **November 29 2023**, **Volunteer Jana Mracnova** from the Platform of Volunteer Centres and Organisations spent the day at the European Parliament with MEP Michal Wiezik (Renew Europe Group). Jana had the opportunity to attend the Committee on Environment, Public Health and Food Safety for an exchange of views with Dr Sharon McGuinness, Executive Director of the European Chemicals Agency (ECHA). Jana also had the opportunity to visit the European Parliament. We have made a short interview with Jana, you can find it [here](#).

On **8 December 2023**, **MEP Michal Wiezik (Renew Europe Group)** went to the Platform of Volunteer Centres and Organisations event in Banská Bystrica and volunteered.
