

Celebrating Volunteering

CEV and Volunteer Scotland invite you to participate in gathering more information about volunteer celebrations across Europe.

Margaret Starkie and Rosie Abernethy from Volunteer Scotland would like to take this opportunity to introduce ourselves as the team working in partnership with European Volunteering Centre (CEV) to develop an overview/calendar of Events ranging from festivals, weeks, awards and fairs across Europe to help reward, recognise and celebrate volunteers and volunteering. For example Volunteer Scotland lead, with other partners, on Volunteers' Week UK's annual campaign here's what we are doing in Scotland. <https://www.volunteerscotland.net/volunteers-week-2018/>

We started the project on the 1st May 2018 and we will be asking CEV members to contribute to a survey aiming to identify the various activities.

Look out for 'Step 1' of the survey where we will be asking for the primary information on your events to help us map out what's going on in Europe.
