The webinar aims to look in detail at the first chapter in BEV2030 on "Independent and Inclusive Engagement" and develop specific advocacy plans including proposals for actions at all policy levels from European to local. Participants will discuss together how we can connect these levels and ensure that developments are mutually beneficial to all actors. The webinar will also be the opportunity to thoroughly explore the role of the CEV Secretariat and of the CEV members in reaching the foreseen BEV2030 outcomes. We will consider what should be our priorities and how can we support one another to achieve our goals?
